TO-NITE!

Tonight at 9 p.m. the St. Albert and District Chamber of Commerce will have a very important meeting with all the retail merchants of St. Albert. It will be regarding a promotion campaign for all the retail stores in St. Albert. The Committee Chairman, Mr. Bernie Montpetit states that "an 'all out campaign' will be launched to attract and encourage our present and future residents to patronize their local merchants and business establishments. This proposal has been tested in other Towns and Cities and has proven to be very successful."

Check Your Heating System NOW

1. CHECK YOUR FILTERS:

Furnace filters should be checked or replaced at this time of year. This can be a "do it yourself" job for the average home owner. If you prefer, call your heating contractor, plumber or furnace serviceman.

2. CHECK YOUR CHIMNEY:

Loose mortar, soot, and other debris may have accumulated in the chimney, thus blocking free passage of the products of combustion. (Check this if you have recently converted to gas.)

3. CHECK ALL **VENTING PIPES:**

Carry out this check at least twice a year. The 6. DON'T TAMPER WITH pipes may have slipped out of the chimney or they may extend too far into the chimney, thus blocking the end of the vent pipe. They may also have pulled away from the furnace or other appliance. Badly corroded pipes should be replaced.

4. DON'T MISUSE GAS APPLIANCES:

Do not use a gas range to heat a room. Use a proper heater designed for this purpose.

5. BE ALERT TO THE DANGER SIGNALS:

Smarting of the eyes, nose irritation and unpleasant odors are indications of fumes in your home. All appliances must be vented to the outside atmosphere. except refrigerators, dryers, and ranges approved for use without venting.

VOCATIONS EXHIBIT

Several thousand children and adults have toured the Vocations Display this week in the basement of the St. Albert Catholic Church.

Planned and co-ordinated by the local council of the Knights, the display features 50 exhibits by different religious and lay groups in the Church.

They are designed to more fully acquaint people of all faiths with the life and work of priests, muns and brothers in many countries throughout the world. A particular effort is being made to attract students as future members of the various orders and societies.

Among the exhibits sponsored by lay organizations is the Christian Pamily Nove ment, which tries to promote happier family life by helping married couples to solve the many difficult problems of day to day living.

The museum, grotto and Star of the North Retreat House are also open. People of all denominations are most welcome. The Vocations Display will close on Friday evening. There is no charge.

The Party Line

As we are nearing the end of April, many winter activities are winding up another successful season. In the past couple of weeks many have thrown their last rock and bowled that last frame, reluctantly wondering if next season will be as much fun as this one just ending. For me, the finale of a very new venture is approaching - a look into the world of reporting. These weeks have gone by very quickly and I have enjoyed this new experience very such, having met so many new people both over the telephone and in person; too I have shared briefly in the interests of the many clubs and organizations in St. Albert. St. Albert is a bee hive of worth while club life - no matter what your interest there is a spot for you, so plan your time to participate come fail.

Currently, until the 24th of April the local I.O.D.E. (Father Lecombe Chapter) are conducting their "Bouqueta for Books" canvass. These ladies work very hard on this project, most of them are young mother with several small children, yet find time for projects such as these which are time consuming. Please support them - this is one of the many groups you sight join, or your Church group, etc. etc.

Mrs. Vacirca returns this weekend from her "Roman Holiday" and will be eager to be at your service. May I again say it has been my pleasure to report to you from you!

CLUB ROTES

It was greatly appreciated by all who attended. At this meeting, plans were finalized for a Bake Sale to be held at Safeway Priday, May lot starting at 3 p.m. Cub uniforms or any part of a uniform are in demand. FOUNDING SERVICE

The Founding Service of the St. Albert Presbyterian congregation was held on Sunday, April 19th. Thirty-five members were received by transfer.

Rev. Jesse Bigelow of Westmount Presbyterian Church conducted the service and administered the Sacrament of the Lords Supper, assisted by the Interium Sension. Rev. Bigelow's theme was taken from the gospel according to St. John, chapter 15, verse 16, "Ye have not chosen me. but I have chosen you and ordained you, that ye should go and bring forth fruit and that your fruit should remain; that whatsoever ye shall ask of the Father in my name, He may give it to you." Rev. Bigelow stressed that in the words of Jesus, our endeavors do not succeed by our own works but by God's hand and choosing; further that we are under God's direct command to go forward in His name.

The Interium Session - Dr. Gordon Hodgson (Westmount), Mr. John Gerrard (St.
Andrews) and Mr. A. Bramley-Moore (First
Presbyterian Church) were in attendance
to assist with the Sacraments and to
help conduct proceedings at the congregational meeting which followed.

Congregational Meeting was chaired by
the Interium Moderator, Rev. Bigelow.
Mr. Garth Peterson was appointed recording secretary. The Interium Session
brought greetings from their respective

congregations.

Nominations for elders were received. Seven names were brought forward and from this number, three will be chosen by secret ballot to be mailed out this week. Twelve names were brought forward as Board of Manager candidates. Elected to the Board were: Mr. Wm. Bissonnette, Jack Hostler, Herb McIlveer Brad Harvey and Carth Peterson. Mr. Bissonnette was elected as chairman of the Board and Mr. Peterson as treasurer. The congregation voted to move the hour of the worship service to 9:30 a.m. instead of 9:45 a.m. to enable the visiting minister to conduct the full worship service. A committee was elected to take auggestions for naming the congregation and the newly elected Board were appointed to act as a committee to investigate the possible purchasing of a Church site.

There was discussion as to the future appointment of a minister in the fall. The meeting adjourned with a fellowship hour and lunch served by the Burning Bush Circle convened by Mrs. Brad Harvey
